

LAND USE POLICY MAP

- 1 Mixed uses within predominately existing industrial areas shall be allowed where compatible.
- 2 In existing high density neighborhood areas, further high density residential development shall be discouraged.
- 3 This area presently contains a large number of institutional land uses.
- 4 Areas under further study.
- 5 The California School for Deaf and Blind, the City of Berkeley Corporation Yard and the Santa Fe tracks should be acquired or retained by a public agency and used predominantly for open space.
